Hi Henna,

I wanted to follow up on the data for the media question, specific to Downtown News break downs. Do you have data you can send yet?

Hi Dawn,

Please see attached for roughly 3,100 names and emails of Downtown LA Survey respondents. I've also asked for data on the media question so I will send that as soon as I have it.

Currently, we plan to release a report with the survey results at the January CCA GMM. I believe that is planned for 1/18. We would, of course, make sure you receive a first copy along with a press release well in advance.

Let me know if you have any questions!

Thanks,
